

Health & Safety

ADR are Health & Safety recruitment specialists. Good Health and Safety practice is an essential responsibility for every employer. To help meet these requirements, our dedicated team of specialist consultants have the necessary expertise to identify qualified personnel for both the public and private sectors in the UK and internationally.

We provide jobs in health & safety such as:

- Health and safety officer
- Engineers, Managers and Advisors
- Planning supervisor roles
- Compliance officers
- Quality assurance officers
- Quality assurance engineers and managers.

Details of all of our health & safety jobs are available online on www.adr.chrisalex.co.uk. Those seeking vacancies can apply directly.

Clients can call or email Lynn Knapp on 01462 440722 or lynn@adr.chrisalex.co.uk to place job orders.
